

7th June 2024TO WHOM IT MAY CONCERN

"Tanja Coetzee has developed a remarkable range of products for EcoGen4Life (Pty) Ltd, with pure ingredients and no harmful additives.

We researched the best combination of ingredients for each product, which resulted in highly effective treatments for specific symptoms.

I therefore fully endorse the EcoGen4Life products and attest to their quality and effectiveness."

Kind regards,

Dr. Hilda J. Landman (Director)
